FREE October half term
Short Breaks inside!

Welcome

Welcome to the October Half Term newsletter! You will find inside a programme of activities taking place over the holiday which will be fun and enjoyable for your young person and the whole family.

Hope you all have a great holiday!

Jo Dawson and Collin Hazeley – Short Breaks

What is a Short Break?

Short breaks provide opportunities for disabled children and young people to spend time away from their primary carers. They aim to provide parents and carers a necessary and valuable break away from their caring responsibilities in order to recharge their batteries.

They enable disabled children and young people to have the chance to develop new friendships, take part in new experiences and to have fun doing positive activities like sports, music therapy, youth clubs and much more.

A short break may include a few hours, a day, evening, overnight stay, weekend or sometimes longer. It could take place in the family home, at another home or out in the wider community.

Hounslow Short Breaks team also endeavour to provide short breaks for the whole family in an environment that is sympathetic to the disabled child or young

person, for example, theatre shows and cinema screenings.

For more information, please see our Short Breaks Statement on the Hounslow website – www.hounslow.gov.uk/shortbreaks under 'Downloads'.

If you have any queries, please do call the Short Breaks team on 020 8583 3636.

Hounslow Parent Carers Forum

Hounslow Parent Carers Forum is part of a nationwide organisation that helps parent and carers of children with Special Educational Needs and Disabilities (SEND). We are there to listen to you and try to support you to sign post where needed.

We also discuss common issues that parent/carers have with the local authority and other organisations in order to help improve services. All of us who work for the forum have children with SEND.

We offer Coffee & Chat Mornings and Afternoons, along with newsletters that provide updates and helpful information on SEN topics in the area. Additionally, we host a monthly forum where representatives from the Council, other organisations, and charities come to discuss their services and answer your questions. Best way to keep up to date with what we have going on is to see our online diary on our website - www.hounslowpcf.co.uk

Dates for up-coming Forum meetings are as follows:

- Tuesday 15 October
- Tuesday 12 November
- Tuesday 17 December

Services available for children and young people aged 0-25 years with special educational needs and disabilities (SEND)

Special Educational Needs and Disability Information, Advice and Support Service (SEND IASS)

What Is SEND IASS?

Under the Children and Families Act (2014) it is a legal requirement that all Local Authorities have a Special Educational Needs and Disabilities Information Advice and Support Service (SENDIASS).

The Hounslow Special Educational Needs and Disabilities Information Advice and Support Service (SENDIASS) provides this service for parents and carers of children and young people with special educational needs and disabilities (SEND) in the borough.

This service is also offered directly to young people as well. While the service is funded by the London Borough of Hounslow (LBH), Hounslow SENDIASS works independently of the local authority.

Hounslow SENDIASS is free to use, impartial and confidential.

What we do

Hounslow SENDIASS provides independent and impartial advice based on the law and government guidance. We are able to:

- Meet with you virtually or in person to discuss your concerns or needs. Communication may also be by phone and email
- Explain how the SEND system works – for instance, accessing Education, Health, and Care (EHC) plans
- Assist you in you navigating the often-complex world of SEND
- Signpost you to appropriate local authority services, including the Local Offer
- Support you through dispute resolution and mediation processes with schools and the local authority

(NB. Where you request support at a meeting, this is subject to appropriateness, availability, and capacity)

What we don't do

Our aim is to empower young people, parents, and carers to take informed decisions around SEND for themselves. We don't however:

- Tell you what is best for you and your child
- Tell other professionals what to do
- Identify appropriate schools for your child
- Represent you at meetings, including mediation and tribunals
- Assist in the preparation of EHC or tribunal documentation
- Provide an administrative service for you, including contacting or arranging meetings for you with other professionals and form-filling
- Help with benefit claims, housing difficulties, Blue Badges etc

(NB. If your child has an EHC plan, your first contact should be your child's EHC caseworker)

You can help us by:

- Leaving a message when you phone as we do not respond to missed calls where no message has been left (We aim to respond to all enquires within 5 working days)
- Keep us updated on progress in relation to the resolution of your concerns or needs
- Let us know when your issues have been resolved

Data Protection

All the information that Hounslow SENDIASS gathers from you is securely stored electronically and separate to local authority departments. Information will only be shared with your permission. However, where there may a safeguarding concern Hounslow SENDIASS is obliged to share such concerns with appropriate professionals.

How to access our service

We are a self-refer service. Parents are able to access us directly. We are unable to take referrals from professionals.

If you would like our help, please telephone us on 020 8583 2607 or email us at sendiass@hounslow.gov.uk

Disability Access Fund (DAF)

DAF is available to support children with special educational needs and disabilities (SEND) in their childcare setting. Childcare providers can receive £615 per year for every child who meets the eligibility criteria.

Who is eligible?

To be eligible children must be:

- aged 3 or 4 years old
- using a funded free early education and childcare place in a registered childcare setting
- in receipt of Disability Living Allowance (DLA)*

What can the funding be used for?

The funding is available to help childcare providers make reasonable adjustments at their setting to improve children's access to funded early education. It will be paid directly to the childcare provider and they will be able to decide how it should be spent. The funding cannot be used towards childcare fees.

Your child does not need to be using all of their funded early education and childcare hours for their childcare provider to be able to receive the full £615 of funding. Please speak to your childcare provider if you think your child may qualify.

Further information on DAF can be found on the Hounslow Local Offer through the following link: www.hounslowlocaloffer.uk

* Many parents miss out on this vital benefit - did you know that you don't have to wait for a condition to be diagnosed before you can claim DLA for your child? You can claim DLA so long as it is clear that there is some underlying condition - whether physical, mental or behavioural - as a result of which your child needs extra care or help in getting around. For more information, visit www.gov.uk/disability-living-allowance-children.

Eligibility Criteria

You will see the table which describes the pathways of need overleaf, on pages 10-11. Below, we have explained how to assess your child's needs in relation to the pathways.

Step 1: Have a look at Band A and see where your child's disability sits in each pathway.

Step 2: Have a look at Bands B and C if they apply. Think about the four dimensions – Communication, Personal Care, Safety and Supervision, Behaviour and Social Integration. If your child meets one or more of the descriptions in either Band B and C, then they are likely to meet the respective pathway.

If you are unsure or if you see that they sit in multiple pathways, please do give the Short Breaks team a call and we will go through it with you on 020 8583 3636.

Things to think about:

Pathway 1: The child will most likely attend a mainstream school and can access most mainstream activities with minimal support.

Pathway 2: The child will either attend a mainstream school (with specialist support) or attend a specialist school and will need some additional support to access short breaks. They may have an Education, Health and Care Plan.

Pathway 3: The child will most likely attend a specialist school and require specialist support to access short breaks. They will most likely have an Education, Health and Care Plan. They will most likely be known to the Social Work team for Children with Disabilities.

The pathway for the child or young person may change at different times throughout their lives as their needs may change.

May be in receipt of Continuing Care or palliative care from Health Services.

IMPACT OF DISABILITY

Band B	Communication	Delayed language development only.	Delayed/ disorganised verbal communication causing difficulty. Speech supplemented by alternate communication method.	Uses communication other than words, e.g. symbols, makaton, BSL.

Behaviour problems severe or frequent enough to require some specialist advice or provision. Significant support required to achieve social integration. Only able to sustain peer relationships with support. Child requires services to prevent or alleviate stress in the family.	Long-term behaviour difficulties make it difficult for the child to function appropriately most of the time, and maybe of risk to the child or carers without special provision. Dependence upon carer for social integration. Limited awareness of impact of behaviour upon others. Services required to prevent high risk of accommodation for the child.

Children and young people should meet at least one of the dimensions in Band A and one from Band B to meet the criteria for that pathway. To discuss your child's pathway, please call the Short Breaks team on 020 8583 3636.

Take part in Hounslow's spectacular Winter Lights Parade!

Every year, Hounslow's communities come together to light up the dark nights of winter. Throughout the autumn, people all over the borough take part in workshops to create stunning lanterns made of paper and willow.

Then everyone comes together for a beautiful lantern parade on Hounslow High Street and for the switch-on of the lights in Hounslow town centre. This finale event takes place on Saturday 23 November at 6.30pm. The parade starts outside Thakkers on Holloway Street (Holloway Street is a side street off Hounslow High

Street, by Specsavers). The parade ends at Bell Square.

Short Breaks families can take part in either of 2 lantern-making workshops.

SUNDAY 10 NOVEMBER

Lantern-making workshops at 11 am or 2pm. Each workshop lasts 2 hours. The workshops will be in the Dance Studio, West Thames College, London Road, Isleworth, London TW7 4HS.

Come and join a workshop with fabulous local artists, Art Jar. You will make a lantern made of willow and paper, and decorate it. The lantern is then fitted with a small lamp for carrying in the parade event.

The lantern-making workshops last 2 hours. Participants will be sitting on chairs or using their wheelchair as appropriate. All materials are provided.

The workshop happens twice, so you can come at either 11am – 1pm, or at 2 – 4pm. Both workshops are the same, so please just book whichever time suits you best.

Services Throughout The Year

Music Therapy – Richmond Music Trust

Richmond Music Trust are offering a slightly adjusted programme to children and families offering both direct contact music therapy sessions and online sessions.

Our online music therapy programme during the summer has been very popular and we have received some lovely feedback from families, which showed clearly that music therapy via video link can really work well for some children. Therapists and parents have been amazed about how effective children can engage in online music therapy accessing one to one and group sessions. As we are still unable to use our usual premises at the Hub, we have decided to offer a mixed programme offering both **online sessions** as well as **direct contact** sessions.

Online Music Therapy Programme on Saturdays

Sessions will be a little different but our therapist Sara Cole will create a fun and child-centred experience including shared musical activities, singing and games. These sessions will be uniquely tailored to your child's needs, choices and ability. We have vacancies for weekly one to one sessions and vacancies in weekly small group session.

Sessions will need to be attended jointly with a parent, carer or sibling so that your child is supported to maintain engagement. If you have musical instruments at home these can be used and the therapists will also provide you with ideas of how to use household items for sound production.

This programme is open to children from Pathway 2 & 3. We accept referrals from those that would like to try out this mode of engagement or continue on from the summer programme.

How does it work?

All you need is a computer (PC or MAC), tablet or Ipad and a reasonably stable internet connection. You will need to install the free Zoom application and we will send you all the info of how to do this. **If you need any help, Joanna Dawson from Hounslow Short Breaks or Andreas Rosenboom from Richmond Music Trust are available to help if required.**

Direct Contact Music Therapy Sessions on Saturdays at Richmond Music Trust, Twickenham, TW2 6RB

The Trust also offers sessions from their premises in Twickenham, TW2 6RB and therapist Muhamad Badry will be offering sessions on Saturdays between 10 and 4pm. We will adhere to social distancing and have a variety of measures in place to assure Covid Safety.

How do I enrol?

Please contact us if you wish your child to access the music therapy programme, by emailing: musictherapy@richmondmusictrust.org.uk

Please let us know if you wish to access the online or the direct contact option.

Services Throughout The Year

Heathrow Gymnastics Club – Play Gym

This service is only available to children registered with Short Breaks up to the age of 7 and up to 130cm in height on pathways 2 and 3.

You can use this service throughout the year, not just in the holidays!

Please note that on arrival parents are required to fill in a registration sheet which will be asked for basic information about their disabled child, including their disability and UIN number. Short Breaks will only pay for the disabled child – any siblings or friends will need to be paid for by the parent/carer.

Decisions R Us

Bid for up to £250 for a short break or activity!!

Please note that applications to Decisions R Us can be made every other financial year. So, for example if you apply in this financial year, ie. from 1 April 2024 to 31 March 2025, you will have to wait until after 1 April 2026 to apply again. If you have any queries, please call on the Short Breaks team on 020 8583 3636.

Last year young people in Hounslow were given the opportunity to apply for funding for their own 'personalised' short break activity. These included horse riding, swimming lessons, gymnastic classes, even rock climbing...

Once again, funds have been allocated to young people on pathway 1 and 2, aged 5 up to 18, living in Hounslow who are looking for help with a short break or activity. This can include equipment that will help them access a short break! Young people and parent/carers on their behalf can bid for up to £250 to fund their own short breaks.

The activity needs to be positive and enjoyable, that gets the young person out and about in the community, hopefully developing a hobby or a skill. We are very flexible in what can be applied for as each child has their own interests but there are some no-nos:

- No electronic equipment including laptops, mobiles, gaming consoles
- No furniture or household items
- The only holiday that could be funded would be one for the young person themselves such as a PGL holiday or a residential with a youth club.
- No Merlin annual passes

The application form is available from the Short Breaks team or from the downloadable documents on the Short Breaks web page www.hounslow.gov.uk/shortbreaks which

ideally the young person will then need to complete (where possible) or with help from an adult. Young people can attach a picture, film, photo or other media to the application form if required to express or support their idea.

Applications will be then presented to the Decisions R Us Panel who will make a decision about each application.

Decisions R Us Panel Dates

8 January 2025 – deadline for applications Friday 3 January.

If you have any queries, please call the Short Breaks team on 020 8583 3636.

Childminding – 24 Hours Free Childminding Service

The Short Breaks Service will pay for an introductory 24 hours childminding free. This is an opportunity for you and the childminder to start building a long-term supportive relationship for your child.

A registered childminder is a person who looks after children in the childminder's own home.

Registered childminders are found on the Hounslow Family Services Directory at www.hounslow.gov.uk/childcare. Select the search for childminders button and choose your area. You will see a list of childminders and will need to click on each name to see their full profile.

Some childminders may have listed specific experience they have in caring for children with a particular special need/disability. From this information, it's advisable you then contact the childminder to see if they can accommodate your child's individual

needs along with the hours and days you are looking for.

Once you have found someone who meets your needs, call the Short Breaks team who will organise payment of the first 24 hours directly with the childminder. It will then be down to you to continue any ongoing payments with the childminder for further care.

- Your family/child must be registered with Short Breaks to use this service
- Your child must meet level of need pathway 2 or 3
- Once the 24 hours introductory offer is over, it is your responsibility to continue paying for the service.

For more information or to discuss organising your childminding, please call the Short Breaks team on **020 8583 3636**.

Congratulations...
